Dear Mathew

RE: Planning Information

REF: 02191816

Thank you for contacting Ofcom with your planning information.

In the past Ofcom took into account the height of certain equipment e.g drilling rigs and wind farms. This was in case fixed link radio sites were affected by the equipment. We no longer provide this service but thank you for the information.

If you have any further queries please do not hesitate to contact the Spectrum Licensing Team on 020 7981 3131 or via email at spectrum.licensing@ofcom.org.uk.

Kind regards,

Ian Crompton
