<p><b>Your comments:</b></p>	<p>I have lived at the location for the past 6 years and we chose this location due to the tranquil setting in the countryside. It is a brilliant environment for my children to grow up in. The new application if agreed will bring great disruption to the tranquil setting and I will worry deeply for my children due to the increased Traffic levels especially HGV's when we like to enjoy the countryside.</p> <p>Living where we do gives us easy access to 3 main routes that we use on a daily basis, my child attends Skirlaugh school, I use the A165 to go to work in Hessle and my husband uses the A165 to go to Bridlington to work.</p> <p>I really object this application because I feel it will have a major impact on my wellbeing. After a long 12 hours shift that both my husband and I work there is nothing better than coming home to the peace and tranquility which would be completely ruined if the application is successful.</p>
